Planetary Governor Dehvon Traquiel

-Planetary Governor of Asterion; Husband of Kelle Jocasta Lethe

-Accomplished Duelist; shows admirable conduct in the face of defeat, as witnessed in his duel with Artemis at the party took place at the Planetary Governor's Palace.

-Previously Head of the Royal Guard, prior to his sister's passing; remains largely uninterested in political matters, and generally seems to lack ambition.

-Younger Brother to Anvephone, eldest of her brothers; highly loyal to his sister and her memory.

-Bonded with an Augmentor

[Heavy Encryption]

-Dehvon is largely unaware of the mission details of KG-Co, including the truth about the death of his Sister and Niece. Maintaining this state of affairs would be prudent.
