-Sanctioned Psyker (Specialist in Telepathy)

-Previously called Quinten Cutter; legally died during the Xenotechnological Incident.

-Fused with the Nemesis Device, as well as a Vigil Device linked to Ambassador Lethe.

-Has a Twin Headed Eagle familiar called Aequinn; notably, one head of this creature controls the body's movement and ability to fly, which the other has psychic abilities.

-Resurrected by the Golden; now appears somewhat greyer and longer limbed.
