Logos Historica Verita

-A faction within the Administratum with the apparent mission of locating and preserving records from Asterion's secret histories

-Dispatched Auditor Ordinate Tacitus to protect Archivist Denn and the record he had recovered, such that it could reach administratum officials.

-Appears to be in direct conflict with the Ordo Historica Veritas; the similarity of their names, naturally, cannot be ignored, perhaps indicating the rivalry between the factions may involve schism of some kind.
