

# Logos Historica Verita

-A faction within the Administratum with the apparent mission of locating and preserving records from Asterion's [secret histories](#)

-Dispatched [Auditor Ordinate Tacitus](#) to protect [Archivist Denn](#) and the [record](#) he had recovered, such that it could reach administratum officials.

-Appears to be in direct conflict with the [Ordo Historica Veritas](#); the similarity of their names, naturally, cannot be ignored, perhaps indicating the rivalry between the factions may involve schism of some kind.
