Dreams

Asterii Memories recovered from Dream Storage on the Cathedral; additional memories have been logged but not yet translated. Memories notated as:

Descriptor: [Device] [Location] Description of emotion and sensation.

The First Memory: [Communior] [Heart] Sense of overwhelming joy and accomplishment; building of entourage; coming to a place of holiness and conflict.

Hold the Line: [Augmentor] [Planetside] Part of team of warriors; fighting horrific creatures; hold the line.

Hatred Distilled: [Voiddelver] [Hatred] *(Note: dream is "odd" to experience)* Observing a projection of tendrils alongside two other delvers; sense of distilled hatred; "what they've been telling us is true."

Failed Operation: [Redressor] [Purity] Disastrous operation on fellow Asterii, or former Asterii; no longer comrade, corrupted, needs to die; others begin the blaze, body consumed by translucent flames.

Maintenance: [Communior] [Heart] Central chamber, while active and lit; commanding the Guardians to perform maintenance; discomfort, unwillingness to remain in the Heart chamber for long.

Nearing End: [Communior] [Unity] End is nearing, message of finality; the war is probably over; the last attack; conflicted; not going to let them win.
